

Full job description

Fact-Check Researcher:

Our ideal candidate must have 2+ years of experience as a research associate and familiarity with media, communications and development, especially information disorder. This role involves using your experience as a researcher to combat information disorder and also lead the research arm of our organization. You will play a crucial role in the publication of fact-checks, research papers and articles.

Requirements:

- Bachelor's degree or its equivalent
- Proven experience (2 years) in research , preferably in a media or digital content environment.
- Strong analytical skills with the ability to critically evaluate information and sources.
- Excellent attention to detail and a meticulous approach to fact-checking.
- Familiar with fact checking tools.
- Proficiency in using online research tools and databases.
- Have evidence of published articles or papers.
- Ability to work independently and efficiently under tight deadlines.
- Strong communication skills and the ability to collaborate effectively with cross-functional teams.
- Open to learn on the job.
- You should be interested in the media and information ecosystem and have Knowledge about fact-checking.

Social Media Manager

We are seeking a creative Social Media Manager to lead our social media strategy and content creation efforts. This role is ideal for someone who is passionate about social media, adept at mobile editing, and has a knack for transforming long-form stories into engaging social media content.

Requirements:

- Bachelor's degree in any relevant field

- Proven experience (2+ years) in social media management, content creation, or digital marketing, with a strong portfolio showcasing successful campaigns and content.
- Proficiency in mobile editing tools and platforms (e.g., Adobe Premiere Rush, InShot, TikTok editor, canva) to create compelling visual content.
- Attention to details to ensure accuracy and credibility of social media content.
- Passion for social media and a deep understanding of platform dynamics, algorithms, and best practices.
- Creative mindset with the ability to innovate and experiment with new content formats and trends.
- Excellent written and verbal communication skills, with the ability to craft engaging and persuasive content.
- Ability to work independently, prioritize tasks, and manage multiple projects in a fast-paced environment.
- Experience with social media analytics tools (e.g., Sprout Social, Hoot suite Analytics) to measure performance and inform strategy.
- Knowledge of Fact-checking is an advantage.

Digital Media & Design Associate

As the Digital Media & Design Associate, you will lead and support various aspects of our product and design efforts for digital media branding. You will have the opportunity to work on projects that combat the spread of misinformation and disinformation, improving hands-on experience in creating visual content across multiple digital platforms.

Requirements

- Bachelor's degree in any relevant field.
- 1-3 years of experience in digital media production, graphic design, or related roles.
- Proficiency in graphic design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign, Figma).

- Basic knowledge of video editing software (e.g., Premiere Pro, Final Cut Pro) is a plus.
- Creative mindset with a strong attention to detail and the ability to generate innovative ideas.
- Ability to work collaboratively in a team environment and effectively communicate ideas.
- Passion for digital media and design with a desire to learn and grow in the field.
- Strong organizational skills and the ability to manage multiple projects simultaneously.

Business Development Intern

We are looking for a proactive and driven Business Development Intern to join our team. This internship offers hands-on experience in identifying and developing new business opportunities within the media sector. The Business Development Intern will play a key role in growing our partnerships and investments..

Requirements:

Bachelor's degree in any relevant field.

Strong interest in business development, particularly within the media sector.

Experience writing proposals and actively pursuing business leads.

Excellent communication skills, both written and verbal.

Ability to work independently and collaboratively in a dynamic environment.

Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and familiarity with CRM software is a plus.

Previous internship or work experience in business development, sales, or marketing is advantageous.

Send updated resume and cover letter to a.sanni@pronextglobal.com

Fact-Check Lead

We are hiring a Fact check lead to spearhead our fact-check team, upholding the highest standards of accuracy and reliability in the information we verify and disseminate. You will be in charge of editorial oversight and collaborate closely with other members of the team to authenticate claims and debunk falsehoods across multiple channels.

Requirements

Bachelor's degree in any relevant field.

3+ years of experience in fact-checking, journalism, research, or a related field within a fact-checking organization.

Knowledge of OSINT

Strong understanding of media ethics, journalistic standards, and best practices in fact-checking.

Impeccable writing, editing, and proofreading skills with meticulous attention to detail.

Proven experience in tracking and combating misinformation and disinformation across various platforms.

Ability to lead a team effectively, fostering a collaborative and supportive work environment.

Familiarity with digital content management systems and fact-checking tools/software is advantageous.

Ability to thrive in a fast-paced environment, manage multiple tasks, and meet deadlines under pressure.

Send updated resume (including links to three Fact-Check reports) and cover letter to a.sanni@pronextglobal.com
